

2027

LTH Velocity London

Velocity brings together **legal tech CEOs and founders** with buyers, investors, and industry leaders for a day of candid conversations about the future of the market.

KEY DETAILS

- LTH Velocity London | 20 April 2027
- 9:30 am – 13:30 pm BST
- 100 delegates – Founders and CEOs from legal technology companies

WHAT THE DAY COVERS

Each edition has its own agenda, shaped around the market at the time. Full programme & speakers are published ahead of the day.

The state of the market

Where investment, M&A and valuations are heading, read by the people writing the cheques.

How legal tech gets bought

Law firm and in-house leaders on procurement, security review and what actually closes a deal.

Building with GenAI

Where vendors and users need to work together, and where expectations are still mismatched.

Partnerships and exits

Build, buy or bond – OEM deals, strategic partnerships and what acquirers look for.

Will

WOMEN IN LEGALTECH
LEADERSHIP

The day opens at 8:30 with the **Will Breakfast**, an invitation-only hour for women in legal technology leadership, held before the main programme.

The breakfast includes:

- Senior women from firms, in-house teams and vendors
- Networking format, no panel, no pitching
- Breakfast served; places are limited
